

## Our Governance

Central Vermont Medical Center is a non-profit corporation whose mission is to work collaboratively to meet the needs and improve the health of residents of Central Vermont. Central Vermont Medical Center is a corporation consisting of a hospital, a nursing home (Woodridge), and medical group practices.

Membership of Central Vermont Medical Center is made up of 87 Corporators from our service area region. Of the 87 Corporators, 23 serve as Trustees. The qualifications of Corporators and Trustees are individuals who live in the geographic area served by the Corporation and who are interested in the objectives and purposes for which the Corporation is incorporated.
